

USGBC MEMBER ASSOCIATION MEMBERSHIP BENEFITS EDUCATION & PUBLICATIONS – 15% OFF PROMOTIONAL CODE INSTRUCTIONS

USGBC considers education the best pathway to engage the growing community of stakeholders in the green building movement. What better way to support that effort than through our own Association Members and their professional membership. USGBC is pleased to support your membership's professional growth at a reduced rate on education resources and publications, including: online self-paced courses, webinars, instructor-led workshops and publications. The 15% discount will be applied to USGBC member and non-member prices -- joining both organizations offers the highest discount. Discounts apply towards the following products only:

- LEED 101: Green Building Basics & LEED – 2-hour online training: Free
- LEED 201: Core Concepts & Strategies – 4-hour online training: 15% off
- LEED 202: How to Document & Certify Projects – 3-hour online training: 15% off
- The Evolution of LEED: Insights into Rating System Updates: 15% off
